

# Pinecone Turkey

When finished this project makes a nice holiday table decoration.  
The kids will love it and its easy and inexpensive to make.

## You'll need:

Pine Cones  
Construction paper  
Crayons or markers  
Glue gun or Liquid white glue

## Step 1:

Trace and cut out turkey feathers and a turkey head with neck.  
Color and decorate them however you like.

## Step 2:

Lay the pinecone on it's side. Glue the feathers onto one end of the pinecone, and the turkey head onto the other.  
Allow to dry.
