# New! Indian Lore Patch

The Indian Lore Patch rewards Braves and Princesses who discover and share knowledge about their tribes' unique culture and traditions.

## How to Get This Patch:

- Submit an article of 75-100 words to the Smoke Signal.
- The article must communicate something learned about American Indian culture or traditions.
- Where possible, the subject matter should be specific to your Tribe.
- Council reserves the right to review, on a case-by-case basis, whether submissions merit awarding the patch.

**Note:** Please see that our Braves and Princesses uphold the intent of this patch. Genuine learning and understanding is the goal.
